

UNDERWOOD

Acquisition and Development

Underwood represents numerous clients in the purchase, sale, and development of real property throughout the State of Texas. Our attorneys have extensive experience assisting in a broad range of transactions from advising in the sale of a single tract to advising in the purchase of a 500,000+ acre ranch.

From the outset of representation, we work side by side with our clients to develop a strategy to achieve our client's goals. As real estate transactions have become increasingly complex and sophisticated, our attorneys consider all aspects of a transaction including title, environmental, regulatory, tax, corporate and financing matters.

Underwood has assisted local, regional and national lenders, property developers, companies, individuals, and real estate investment trusts (REITs) in the acquisition, disposition and development of real property.
