

UNDERWOOD

Agricultural Financing

Underwood lawyers represent commercial banks, farm credit institutions, and other agricultural lenders in a variety of complex production agriculture and agribusiness financing, restructure and litigation matters.

Our lawyers work with agricultural lenders to structure and negotiate senior and subordinated debt, asset-based facilities, real estate secured facilities, working capital facilities, cattle feeding facilities, dairy construction and operating facilities, syndication and participation arrangements, and to restructure agricultural financing facilities of all kinds in and out of bankruptcy.
