

UNDERWOOD

Banking

Underwood's Banking Practice Group regularly assists the region's leading commercial banks, farm credit lenders, credit unions, insurance companies, and other institutions providing debt financing. Services offered to such clients include advice and counsel on regulatory compliance issues and assistance with all types of commercial and consumer loan transactions.

Underwood has the capability to help negotiate and document loans ranging from asset-based financing to large-scale, multi-lender syndicated financing. Among other things, we have extensive experience in complex real estate, agriculture, oil and gas, wind energy, and motor vehicle dealer financing.

In collaboration with our Bankruptcy and Creditors' Rights Practice Group, we also routinely offer assistance in special assets and distressed loan situations, including loan workouts, forbearance agreements, garnishment defense, and foreclosures and collections.
